From Wikipedia, the free encyclopedia

Checked

For laws regarding U.S. citizenship, see [United States nationality law](#). For U.S. citizenship (birthright and naturalized), see [Citizenship of the United States](#).

United States citizenship can be acquired by birthright in two situations: by virtue of the person's birth within United States territory (*jus soli*) or because at least one of their parents was a U.S. citizen at the time of the person's birth (*jus sanguinis*). Birthright citizenship contrasts with citizenship acquired in other ways, for example by naturalization.^[1]

Birthright citizenship is guaranteed to most people born within U.S. territory (other than [American Samoa](#)) by the first part of the [Citizenship Clause](#) introduced by the [Fourteenth Amendment to the United States Constitution](#) (adopted July 9, 1868), which states:

"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of

Technology

Use of science to create a tool that
Solve a problem & Make Life Easy

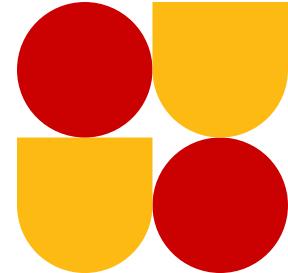

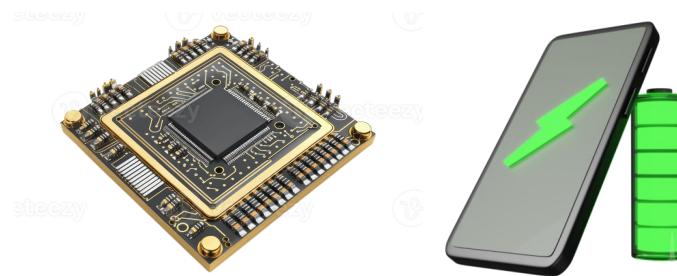

Problem

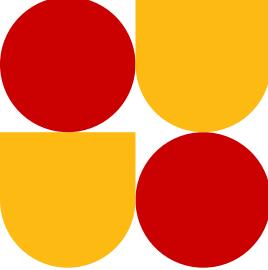

- Long-distance communication gap

Science

- Microprocessors & semiconductors.
- Screen & battery

Tool

Mobile Phone

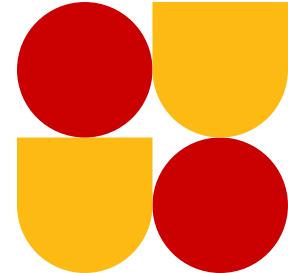

Solution & Benefits

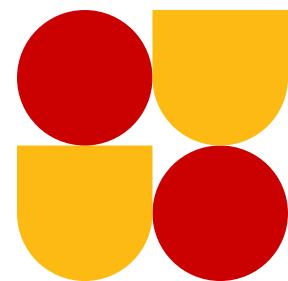

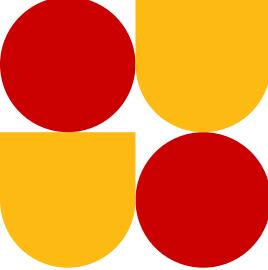

Solution

- Quick communication (calls, texts, video)
- Information access (internet, apps)

Benefits

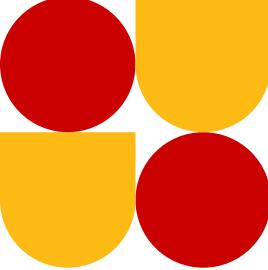

- Speed up in daily tasks
- More social connectivity

Now it is your Turn!

See the Problem & Tell the Solution

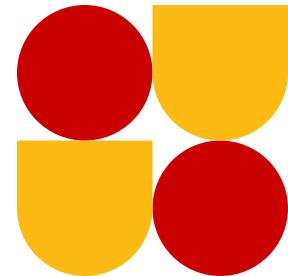

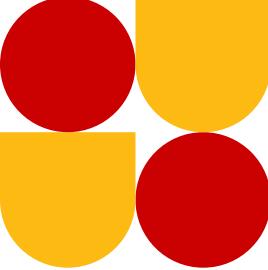

Problem 1

- Comfortable Travel with full family

Problem 2

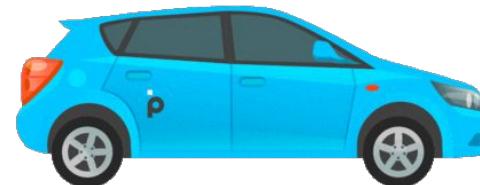

- Order Food at your Home

Problem 1

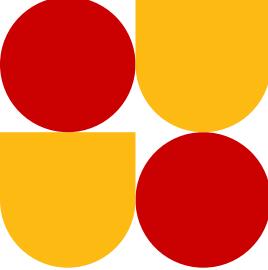

- Comfortable Travel with full family

Problem 2

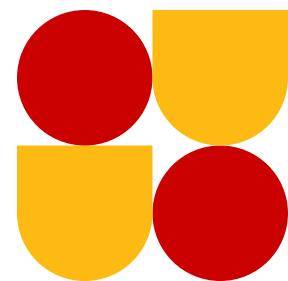

- Order Food at your Home

Front End Dev.

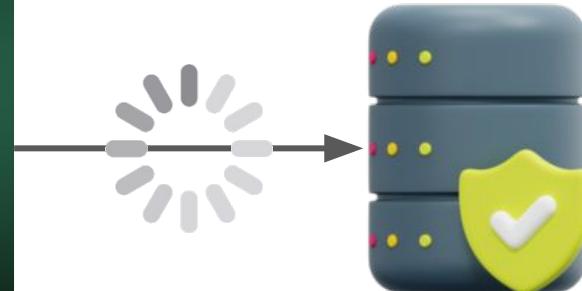

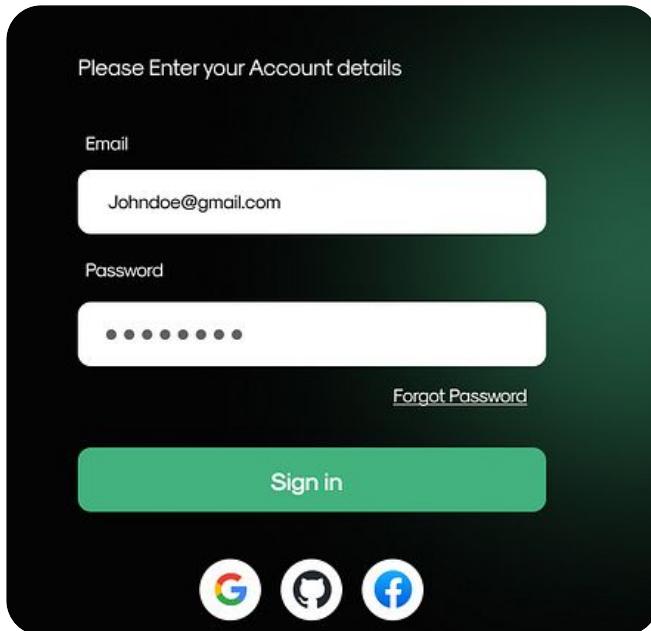

The image displays two mobile application screens side-by-side, illustrating front-end development concepts.

Left Screen (Black Theme): A sign-in form titled "Habu". It includes fields for "Email" (containing "Johndoe@gmail.com") and "Password" (represented by a series of dots). Below these is a "Forgot Password" link. A large green "Sign in" button is at the bottom, flanked by social media icons for Google, GitHub, and Facebook. At the very bottom is a "Create an account" link.

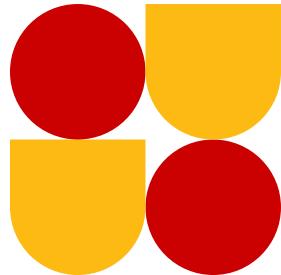

Right Screen (Green Theme): A testimonial card with a green header and footer. The header reads "What's our Jobseekers Said." with a quote mark icon. The body contains a quote: "Search and find your dream job is now easier than ever. Just browse a job and apply if you need to." attributed to "Mas Parjono, UI Designer at Google". Below the quote is a starburst graphic. The footer contains a call-to-action: "Get your right job and right place apply now" and a subtext: "Be among the first founders to experience the easiest way to start run a business.", accompanied by small profile icons.

SUNO

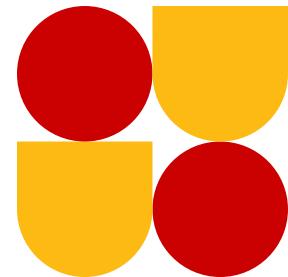

Let's Understand!
What is AI?

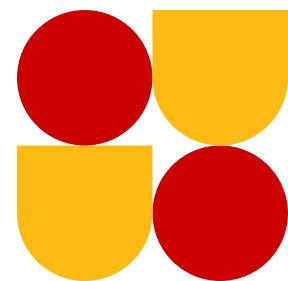

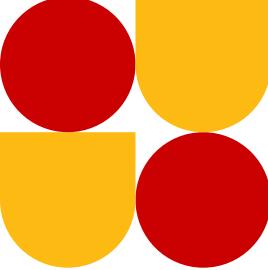

Artificial Intelligence (AI)

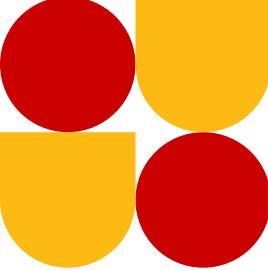

AI is the ability for a computer
to think & learn

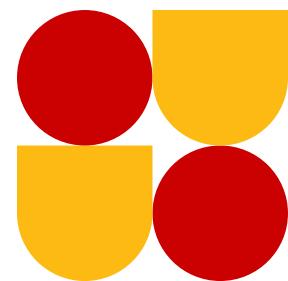

Let's do it Practically.

Prompt

It is Input/Instruction to provide to AI tool for perform tasks.

ChatGPT

Prompt Input: Text

Output: Text/Image etc.

- 1. Answering Questions**
- 2. Solving Problems**
- 3. Writing Assistance**
- 4. Fun and Creativity**

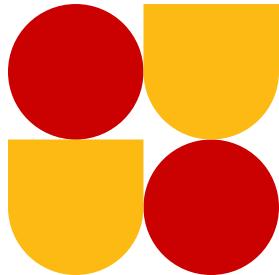

ChatGPT

Sample Prompt 1

Plan a 7-day Surat to Goa family trip in a table with veg hotels, food options, activities, shopping, and budget estimates.

Sample Prompt 2

Write a Hindi Rap Song on India famous food from various city and state under 20 lines.

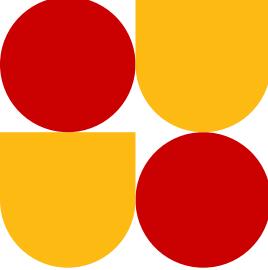

Microsoft Designer

Prompt Input: Text

Output: Image

1. AI Image Creation
2. Edit Images
3. Custom Graphic Design

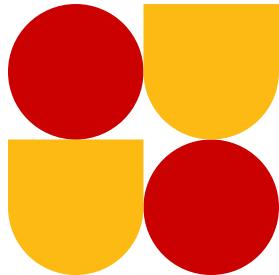

Microsoft Designer

Sample Prompt 1

A cheerful child running, playful 3D illustration in the spirit of animation, vibrant colors, sunny background. Pixar, keep an eye out!"

Sample Prompt 2

A macro, photorealistic image of a panda eating ice cream on a beach in Goa during a warm morning, with a palm tree nearby.

Prompt Input: Text

Output: Image/Video

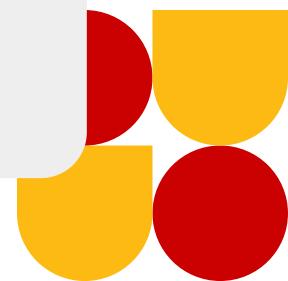

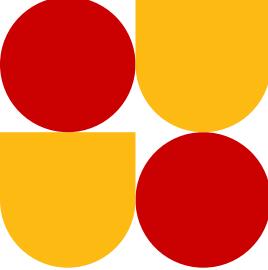

1. AI Image Creation
2. AI Video Creation

Sample Prompt

A high-energy Bollywood action moment where a hero leaps from a moving train, wearing a rugged jacket, as the train speeds through a vibrant Indian countryside. Dust and sparks fly, and the sky is painted with a dramatic sunset. A motorcycle chases alongside, with villains in pursuit

SUNO

Prompt Input: Text/Lyrics

Output: Audio

1. Song Generation from Simple Prompt
2. Song Generation from lyrics

SUNO

Sample Lyrics

Haan, main hoon desi, khana mera craze,
Delhi ki chaat se ho jaa tu amaze!
Gol-gappe, aloo tikki, khata hoon main shaam,
Kolkata ki rasgulle, mil jaaye jo kaam!

Mumbai ki vada pav, chhupa hai secret taste,
Pav bhaji aur misal pav, taare taaron ki race!
Amritsar ka langar, bhari plate mein daal,
Samosa aur kulcha, sab hai desh ka maal!

India ka khana hai, sabko ho jaye pyaar,
North se South, ek hi jazba, ek hi baar!
Chawal, roti, ya jo bhi ho, sab hai jaan,
Har sheher ka khana hai, apne dil ki baat!

Hyderabad ki biryani, swad se hai full,
Chennai ka dosa, sabko de dekho chill!
Rajasthan ka dal baati, sizzles on the plate,
Pune ka misal pav, woh bhi hai great!

Lucknow ki kebab, swaad ka hai storm,
Jaipur ke ghewar, shaadi ka form!
Banaras ka thandai, sukoon ka hai rasa,
Indore ka poha, kha ke ho jaye hasa!

India ka khana hai, sabko ho jaye pyaar,
North se South, ek hi jazba, ek hi baar!
Chawal, roti, ya jo bhi ho, sab hai jaan,
Har sheher ka khana hai, apne dil ki baat!
